

5th Grade Track 4 News

September 12, 2016 week#7

Take a Peek at our Week

This week will launch our WIG's and track our 50 Chapter Book Challenge and www.Edmodo.com Snapshot Data in both ELA and Math. GROWTH Mindset!

<https://ideas.classdojo.com/i/growth-mindset-1>

Learning to Come:

- We will continue to explore and assess fiction genre in literacy while Drawing Inferences from the text and providing evidence to support our findings.
- We will Compare and Contrast fictional text and developed writing that supports this concept.
- We will explore the local, national, and global ECONOMY.
- We will Explore and Evaluate the Skeletal System and Human Body.
- We will add, subtract, multiply and divide with decimals. Using Volume in math computations and word problems.

WE ARE C.A.R.Y Upcoming Dates:

- 9/13 Picture Day
- 9/16 Ident a Kid
- 9/18 Camp Chameleon Clean up Day 3-5PM.
- 9/15 Drama Club Meeting

Learning Activities for Home:

- www.khanacademy.com
- www.Edmodo.com
- www.biguniverse.com
- www.discovereducation.com

Wish List/Volunteer

Opportunities:

We are excited that our 5th Grade team thanks will be getting 5 more laptops...thanks to Boostertthon!

Thanks to the Volunteers for Support in the Reading Program last week!

This Week's Learning

ELA (Reading) **RL5.3** - Compare and contrast two or more characters, settings, or events in a story or drama, drawing on specific details in the text (e.g., how characters interact).

RL5.2 - Determine a theme of a story, drama, or poem from details in the text.

Math- **5NBT4**- Add and subtract decimals with word problems.

5NBT7 Multiply and Divide with decimals with computations and word problems in the real world.

Science **5.1**: Explaining structures with Skeletal Systems and Human Body with how they perform.

Classroom Culture: I can set weekly GOALS and believe in myself to accomplish these goals with my fellow students and teachers.

I can be like C.A.R.Y. and promote positive behavior in all I do at Carpenter Elementary.
